JUDAS HENRY S. BARKER of the Criminal Division at Louisville has handed down a written opinion in which he decides that the Sunday closing law is unconstitutional. He holds that the law is a piece of special legislation and is aimed at the liquor traffic, whereas newspapers, theaters, the butcher, the baker, etc., are unemolumented in their occupations on Sunday. The decision is in conformity with the one handed down a number of years ago by Judge WILLIAM JACKSON.

Under the caption, "Shall We Make Two States of Kentucky?" The Gateway Sentinel has this to say—and there's a whole lot of good sense in the proposition—

"How would it do to make two states out of Kentucky—Eastern and Western? The people of the far end of the state are interested in having their country developed; liberal laws would bring unlimited capital. The dominant party in the state seems to be determined to drive it out rather than to bring it in. With laws that would insure the protection of capital Eastern Kentucky would be worth as much in twenty-five years as the whole state is today."

"Don't understand that we favor secession. It would have to be done by agreement, if at all. The above reasons are purely from a business standpoint. But if you consider political reasons there is no end to them. It would end the kind of political strife that we have been having in Kentucky. The hated mountain-sect would cease to be a factor in the West end and Joe Black and Mr. Charles K. Wheeler could live and die in peace."

The only serious objection that we would make to it would be that it would leave some mighty good people down among the mountains and a lot of barnacles with us. But that could be overcome by each of these states moving. We don't want to commit ourselves to this proposition, but if any of our readers desire to take it up we will give them space."

ACCOMMODATIONS FOR VISITORS IN BUFFALO.

Hundreds of Hotels, Boarding and Rooming Houses, Besides Many Private Homes, on the List.

No lack has been made and written about the ability of the city of Buffalo to care for the crowds which will attend the Pan-American Exposition this summer that a few facts and figures will be appreciated by the general public.

In the first place, there are listed more than 200 hotels, which will give accommodation to 30,000 people; there are 400 boarding and rooming houses, affording accommodation for 18,500, while 7,000 owners of houses, most of whom never before hung out their lintels for a consideration, have signified their intention of opening their houses for the accommodation of visitors to Buffalo this summer. These 7,000 homes will accommodate at least 100,000 visitors.

The Exposition Company has arranged to furnish tent accommodation on the Exposition grounds for 250 uniformed men. There are also two companies arranging tent systems which will afford additional accommodation outside of the grounds for 1,500 or so.

In addition to all this, there are a large number of buildings throughout the city now being remodelled and converted into hotels, the plans of which are not far enough along to afford an accurate description or to estimate accommodation at the present time. It is safe to estimate the present capacity of the city of Buffalo to accommodate 150,000 strangers. To this may be added accommodations for at least 50,000 in the surrounding towns, such as Tonawanda, La Salle, Niagara Falls, Lockport, Williamsport, Gettysburg, Depew and Lancaster, all within a short easy ride of the city.

Rates in hotels range from \$1 per day upward. As ridiculous stories have been circulated in regard to exorbitant hotel rates, it is well to note the rates that have been established at the hotels, the most expensive hotel in the city. These are, for one in a room with bath, \$3 and upward; for two in a room without bath, \$5 and upward, thus making the minimum rate \$2.50 per individual. The rate for a room with bath for one person is \$5 or for two in a room \$7.50. This is on the European plan. Of course there are rooms and suites of rooms in this hotel for much higher rates for those who wish to pay them, but the prices here given are the highest in the city for hotel accommodations.

A number of local reliable agencies are engaged in locating visitors in homes in the city. These can be relied upon as being honest, straightforward and efficient. They are composed of business men of integrity, and will carefully protect strangers in the city, and visitors may feel assured of courteous treatment and safe conduct to accommodations which have received careful inspection.

The Midway.

Principal Amusement Features of the Pan-American Exposition.

The Midway of the Pan-American Exposition far surpasses all amusement features at former expositions, both in quality and novelty of attractions. The following are the principal concessions:

Equilibrium Village, Glass Factory, Trip to the Moon, Aero-Cycle, Old Plantation, Beautiful Orient, Miniature World's Fair, Around the World, Cleopatra, Colorado Gold Mine, Living Pictures, Dreamland, Moving Pictures, War Cyclorama, Philippine Village, Altamont, Panopticon, Street of Mexico, Darkened and Day, Burning Mountain, Darkest Africa, House Upside Down, Water Sports Carnival, Topsy, Flood, and Incubators, Japan, Bostock's Wild Animal Arena, Ideal Palace, Jerusalem on the Morning of the Crucifixion, Indian Congress, Bazaar Building, Seaside Railway, Venice in America, Dances, Circus and Miniature Railway.

The Mechanic's Institute at Rochester has obtained space in the Educational division of the Pan-American Exposition for an exhibit. The exhibit will be placed in a room which is 28 by 22 inches, 22 by 14 inches and 7 by 5 inches. Room for 22 of the largest size has been given to the institute.

One of the novelties promised by John Philip Sousa, "The March King," for the Pan-American Exposition, is a Concert, in the new Sousa March, "Hail to the Spirit of Liberty," which he composed for the dedication of the Pan-American Exposition in Paris and Fourth of July.

GARRARD-WHITE FEUD.

Jule Webb Acquitted at Killing Chad Hall—Two Other Cases Dismissed.

London, Ky., May 30.—The case against Jule Webb, charged with killing Chad Hall, both members of the Garrard-White feud in Clay county, but on opposite sides, was given to the jury at 1 o'clock Wednesday evening. The jury, after being out five minutes, returned a verdict of acquittal.

This case was brought to this county on a change of venue from Clay county. The cases against Bill McCollum and Taylor Spruick, jointly indicted with Webb for the killing of Hall, were dismissed by the court after Webb was acquitted. The evidence against Jule Webb showed that he killed Chad Hall, but acted in self-defense in so doing, as Hall was trying to kill him at the time and would have done so if his (Hall's) pistol had not snapped.

George Hall, a brother of Chad Hall, attacked Attorney Sam Cosh, who was in the courtroom, Wednesday evening, but he was not injured. He tried to kill him at the time and would have done so if his (Hall's) pistol had not snapped.

A FLORAL PARADE.

Memphis Outdid Herself in Honor of the Guests of the Confederate Reunion.

REPORT OF HISTORICAL COMMITTEE.

With a Rar of "Ayes" the Delegates Re-Elected Gen. John B. Gordon Commander-in-Chief.

The Convention Adjourned After Deciding to Meet in Dallas, Tex., in 1902-A Grand Ball in the Evening.

Memphis, Tenn., May 30.—A beautiful sight was the great floral parade with which the citizens of Memphis Wednesday afternoon honored their guests of the Confederate reunion. Over a hundred vehicles, which were masses of flowers, were in line, and all the citizens of Memphis who witnessed the flower parade given last year in honor of Adm. Dewey agreed that the event of Wednesday far surpassed the first attempt.

At the afternoon session the report of the historical committee was unanimously adopted. It stated that the chief, and probably only, impediment to the preparation and reception of a history impartially dealing with both sides of the war is prejudice. It said: "Probably the generation now passing away will never completely overcome the prejudice engendered by the war, and contentions and mis-

SONS OF VETERANS.

Judge R. B. Haughton, of St. Louis, Was Elected as Commander-in-Chief.

Memphis, Tenn., May 30.—The Sons of Confederate Veterans closed their convention in one of the stormiest sessions in the history of the organization. Nearly the entire afternoon was consumed in the election of a commander-in-chief. The flower parade was scheduled for the same time as the election of officers, and an effort to postpone the election was bitterly opposed by the friends of Judge R. B. Haughton, of St. Louis, who, after several hours of wrangling, was elected over Edwin P. Cox, of Richmond, Va. James Mann, chairman of the memorial committee, reported that \$700 had been collected for the monument which the Sons of Veterans propose to erect in honor of the Confederate women. He made a strong plea for support, and subscriptions to the amount of \$5,000 were raised. This makes \$5,700 pledged to the committee. The convention adjourned sine die, to meet in Dallas, Tex., in 1902.

THE GRANT STATUE.

Patriotic Women Placed a Wreath at the Feet of the Figure in the Rotunda of the Capitol.

Washington, May 30.—The Grant statue in the rotunda of the capitol was the scene of an affecting ceremony Wednesday when the patriotic women of the U. S. LONG TRIP ENDED.

The President and His Party Arrived at the National Capital Thursday Morning.

THEY WERE ABSENT THIRTY-TWO DAYS.

Mrs. McKinley Given an Opportunity to See Her Sister at Canton by a Short Stop.

Many of the Stations Along the Line of the Road Through Ohio Were Decorated With American Flags.

Washington, May 30.—When the president and his party ended the long trip across the continent upon their arrival here Thursday morning they were gone 32 days and traveled approximately 6,675 miles. The last day of the homeward journey was a ride across the president's native state. Only one stop was made, the longest at Canton, the president's home town, where the train remained for 20 minutes to give the president an opportunity to see his sister, Mrs. C. C. Barber, and her niece, Miss Ida Barber, many of the president's old friends and neighbors were at the station. Judge Day, the former secretary of state; John C. Demmer, Judge Baldwin and Mayor Robertson came aboard the Olympia, but did not see Mrs. McKinley. Her sister was with her until the train left, and her niece remained aboard. The latter comes to Washington, and with her sister, Miss Mary Barber, who accompanied the party to the Pacific coast, will be the guest of Mrs. McKinley at the white house until it is able to return to Canton. Many of the stations along the line of the road through Ohio were decorated with American flags.

Brief Stop at Canton.

At Lima, the first stop in the state, the school children were given a half-holiday to permit them to go to the depot to see the president. Mrs. McKinley had a very comfortable day. It had been raining in Ohio for several days, and there was no dust or heat to make the journey oppressive. The brief visit of her sister at Canton seemed to brighten Mrs. McKinley greatly. The train arrived at Pittsburgh at 7:30 p. m. and left for Washington 30 minutes later. It reached Washington at 7:30 Thursday morning.

The reception at Pittsburgh was devoid of all excitement. The good-sized crowd that gathered at the station evidently desired to disturb Mrs. McKinley as little as possible. When the president appeared on the rear platform as the train pulled out, the cheer became a shout. It is probable that after a month in Washington the president and Mrs. McKinley will go to Canton, where they will spend the major portion of the summer.

STRIKE ORDERED.

Efforts to Settle Differences Between Chicago Union Machinists and Employes Failed.

Chicago, May 30.—After arbitration had failed to settle the differences between Chicago union machinists and their employers, the long-threatened general strike in the machine trade of Chicago and vicinity was ordered Wednesday night by the executive board of the local lodge of the Machinists' union. The total breakdown of the attempts at arbitration came after a five hours' session between the joint arbitration board of the union and the manufacturers' association.

The issue up for arbitration was the question for fixing a wage per hour for the new nine-hour day, inaugurated May 10, in place of the ten-hour day then abrogated. Efforts at effecting a compromise were made by both sides, but to no purpose, and the strike order followed. The walkout will effect over 7,000 men.

INDIAN TROUBLES.

Col. Jesse M. Lee, Commanding the Ft. Leavenworth Post, Ordered to Ft. Washakie, Wyo.

Fort Leavenworth, Kan., May 30.—Under hurry orders from the headquarters of the army, Col. Jesse M. Lee, commanding this post, left on Thursday for the new Indian reservation at Ft. Washakie, Wyo., where trouble is brewing among the Shoshones and Arapahoes, who live upon the Washakie reservation.

Promotions.

Washington, May 30.—Secretary Root has decided that all of the second lieutenants of cavalry who were such on February 2 last and all of the second lieutenants of infantry who were such at the date of organization of volunteer army in 1869, shall be at once promoted to the rank of first lieutenants.

Side Opened.

Havana, May 30.—Bids for the sewer and paving of Havana were opened Wednesday. Only one bid was received, and this was from Underwood, MacMillan & Day, of New York. The amount specified was \$13,367,731.01. The bid was referred to the city engineers.

THE RAILROAD MACHINISTS.

Only By the Request of a Three-Fourths Majority of All the Men Can a Strike Be Ordered.

Toronto, Ont., May 30.—"Reports from all parts of the United States are favorable—those from the Pacific coast better than I expected," said President O'Connell, of the International Machinists' association, Wednesday. "Already 130 firms in New York city have granted the men's demands, and the remainder, it is said, will fall into line soon."

President O'Connell denies a report that he has power to order out railway machinists. Only by the request of a three-fourths majority of all the men can a strike be ordered. Referring to a telegraphic dispatch of Wednesday morning, he said he had already named a committee of three to meet the National Metal Trades' Union, and that "any action by local representatives must be taken along national lines."

M'GOVERN-HERRERA FIGHT.

Terry Allowed Herrera to Stay Five Rounds, and Then He Put Him Out.

San Francisco, May 30.—Terry McGovern had an easy victory over Aurelio Herrera Wednesday night at Mechanics' pavilion. There was never at any time of the game when McGovern did not in every respect appear for championship honors at his mercy, and from a disinterested standpoint it looked very much as if he allowed Herrera to stay four rounds and then put him out early in the fifth.

While McGovern rained blows on his man at all times, it was not until the beginning of the fifth that he put his strength and weight behind them. The end came quickly after that.

WORK BEING PUSHED.

Progress Made on the Cincinnati, Dayton and Maysville Railway.

The management of the newly incorporated Cincinnati, Dayton and Maysville Railway are hurrying on with all vigor the plans for the early construction and operation of that line.

The surveys are now being finished, and in another week the contracts for the construction work will be let.

There will be some eighty miles of road, but the character of the country through which the line is to run makes the construction easy, and places the cost at a low figure.

Within the past few days the President of the road, E. D. Smith, the banker of Blanchester, has arranged for the underwriting of the \$750,000 bonds that will be issued to pay for building and equipping the road.

The matter of the Cincinnati terminals is now being considered by the Directors, who think that they will be able to run their cars direct to Fountain Square.

Alderden will be the other end of the line.

Mr. Fred W. Banger, job printer of 4 East Second street, says:

"For a year or more I had considerable pain in my back. The secretions from the kidneys were dark and there was some inflammation of the bladder evidenced by a sensation of scalding. Doan's Kidney Pills came to my knowledge and I procured them at J. James Wood & Son's drug store, corner of West Second and Market sts. The treatment soon restored the kidney secretions to a natural color, ended the inflammation and banished the pain from my back. If a cold or any other cause should bring on a recurrence I know now what to use."

The People's Coal Company has let a contract to Edward Howard of Jeffersonville, Ind., for the construction of a towboat. It will be about the same size as the Tornado and will be equipped with engines having 174-inch cylinders and a six-foot stroke. It is said that the same company has specifications out for two more towboats. One of the boats will be about the same size and power as the Joseph B. Williams.

HENRY W. RASP, SECOND STREET, NORTH BIDE.

An Open Letter.

We desire to say that our business since January 1st has passed the mark anticipated. We wish to be frank; therefore we are not attempting to talk to business people and put it in the form of a polished essay. The advantage of having merchandise different from your competitors is apparent, provided that the retailer is known to be reliable. Does not a good deal of advertising appear to you as though the advertisers were indulging too freely in Fine Words? Most of them seem to say something that means nothing. Names are invented for goods that have no bearing whatever to the materials; turned and twisted until they are no longer relevant, all of which is done to tone the product, because the product hasn't enough of it. Fine words make fine birds, but fine words do not make fine goods. We are strong believers in advertising because it is a good thing, but advertising doesn't pay unless constructed on a proper basis, and that is to plainly tell people what you have to sell, and sell it as low as is consistent with legitimate business methods.

Our spring importation of Dress Goods, White Goods, Carpets, Mattings and Housekeeping Goods generally is complete. Come and learn prices, which will be found to be as cheap as the cheapest, quality considered. Respectfully,

GEORGE COX & SON.
